

The Canadian Medical and Dental Association Canada (CMDA) is inviting people to join them for a vital discussion on MAiD in Canada with Deacon Larry Worthen, Executive Director of CMDA Canada.

Two sessions are planned:

- Tuesday, May 14 at the Rock Church (222 Sackville Drive)
- Thursday, May 16 at Good Shepherd Parish, Saint Agnes Church (6903 Mumford Road)

The conversation will explore MAiD policies, how to advocate for alternatives, and conscientious practice. Both events will be in person and available by Zoom.

Please RSVP for either event at <https://cmdacanada.org/event/whats-wrong-with-maid/>.
